

# Spring Has Sprung!

## Needed

- Title Die Cut
- Purple Card stock
- Pink Card stock
- Bright yellow card stock
- Purple mesh
- Dragon fly brads
- Two flower die cuts
- Pink Pattern paper
- Fibers of your choice

Start with a half sheet of purple card stock and pink and glue the two together with a strip of bright yellow card stock. I used the mesh to tone the yellow down. This mesh is nice to work with as it attaches easily with glue stick. At the top of the page glue the pink pattern paper and title down. Start to create your tag to match your page. The base tag is purple. Cover the yellow with mesh and Glue to the tag. Cover a small strip of pink pattern paper. On the top decorate with the two die cut flowers attached with yellow center and a purple brad. Attach two colored safety pins to two more small yellow squares. Cover squares with mesh and attach two dragonflies to the small squares.

Note : All the die cuts used in this project were cut using a custom Pazzles Die Cutter. For more information on the Pazzles Creative Cutter see <http://www.originalscrapbookingideas.com/pazzlescreativecutter>
